Have the pleasure to invite you to a conference on

**China's Policy Responses
to the Great Economic Crisis**

by

Professor YU Yongding

Wednesday June 23, 2010
8:30 to 10:15
Sciences Po — CEVIPOF Building
98, rue de l'Université, 75007 Paris

Yu Yongding is Professor at the Post-Graduate School of Chinese Academy of Social Sciences (CASS) and President of the China Society of World Economics. He was formerly the academic member of the Monetary Policy Committee of the People's Bank of China (PBOC) and a member of National Advisory Committee of the 11th Five Years Plan of National Reform and Development Commission (NDRC). His main research interests are in macroeconomics and the world economy.
